

Moyana Website Colour System

1. Primary Background (Base Colour)

Ivory — #F4F3F1

Use this as the **main website background**.

Use for:

- Page background
- Product pages
- Blog pages
- About page

2. Primary Brand Colour

Evergreen — #68756D

This should be your **main brand colour**.

Use for:

- Navigation bar
- Buttons
- Footer
- Important headings
- Icons

3. Secondary Brand Colour

Sage — #A1A79E

Use as a **soft supporting colour**.

Use for:

- Section backgrounds
- Product cards
- Divider lines
- Hover effects
- Secondary buttons

4. Accent Colour (Energy)

Terracotta — #B57B66

Use sparingly for:

- Add to cart buttons
- Promotions
- Highlights
- Call-to-action buttons

Eg”:

"Shop the Ritual Collection"

5. Soft Neutral

Blush — #DECEBF

Use this for:

- Testimonials section
- Ritual or storytelling sections
- Newsletter sign-up section
- Background blocks
